

## Fullerton Sister City Association Membership Application / Renewal Form

Fukui, Japan

Morelia, Mexico

Yongin, Korea

The Fullerton Sister City program began in 1964 with the adoption of Morelia, Mexico, as Fullerton's first Sister City. In 1989, Fullerton established a second Sister City relationship with Fukui, Japan. This was followed in 2006 by a third Sister City relationship with Yongin, Korea.

The Fullerton Sister City Association was created to further the cause of cultural understanding and tolerance through exchanges with other peoples and nations. Last year was rich in Sister City activities, and this year promises to be even better. We have Junior Ambassadors \*and\* adults traveling to or from Fullerton for every one of our Sister Cities!

We invite you to support and foster this wonderful People to People Program that has introduced countless of participants to the joys of foreign travel and international friendships

JOIN OR RENEW NOW ---- Dues are payable each January 1 as follows:

- Individual or family: \$40 annually
- Individual or family: \$100 for 3 years
- Business or Corporation: \$200 annually

If you are an existing member and not sure when your membership expires, look at the mailing label on the Association newsletter. There will be a two-digit number indicating when your membership expires -- 11 means your membership expires 12/31/2011. If there is no number, our records indicate that you are not currently a member.

Your tax-deductible dues go directly to funding Fullerton Sister City activities with 50% going into our scholarship fund. Dues-paying members receive the Association's periodic newsletter and have voting privileges.

The Sister City is on line--check out our WEB site [www.fullertonsistercity.org/](http://www.fullertonsistercity.org/)
